## **Technical Assistance to Brownfield Communities Program (TAB)**

NJIT provides *free* technical assistance to state, regional, county, tribal, and local government entities and nonprofit organizations interested in learning about, identifying, assessing, cleaning up, and redeveloping brownfield sites in EPA Region 1 (New England), Region 3 (Mid-Atlantic), and Region 4 (Southeast).

Types of Assistance provided by **NJIT TAB** include:

- Guidance on funding opportunities
- Explaining laws and regulations
- Navigating regulatory programs
- Consultant Procurement (review of draft RFPs, creation of evaluation criteria, consultant selection)
- Review and critique of grant applications
- Interpretation of technical and scientific reports and data (such as site characterization results)
- Development of Strategic Plans
- Development of community specific site evaluation and prioritization processes
- Development of Corridor Assets and Needs Plans
- Development of Site Redevelopment Vision Plans
- Explaining clean-up technologies
- Design and conduct of community engagement activities
- Educational workshops such as Brownfields 101
- Seminars, Webinars, and Boot Camps on specific brownfield related topics
- Community planning and visioning workshops
- All-EPA Brownfield grantee meetings
- And much more!

**We tailor our assistance to your needs.**
