CDFA Recognizes Isaac McGlone, DFCP

—Newest Graduate of the Prestigious Development Finance Certified Professional (DFCP) Program —

Columbus, OH — The Council of Development Finance Agencies (CDFA) is pleased to announce Isaac McGlone, Public Finance Analyst for Bricker & Eckler LLP, in Columbus, OH as the newest graduate of the prestigious Development Finance Certified Professional (DFCP) program. As a new graduate, Mr. McGlone joins numerous others who have invested in their professional development and are ready to tackle the complexities of the development finance industry.

“The CDFA team is happy to welcome Isaac into the ranks of DFCP graduates. He is a reflection of CDFA’s efforts to engage the best and brightest in the development finance industry,” states Toby Rittner, DFCP and President & CEO of CDFA.

Isaac McGlone currently serves as the Public Finance Analyst for Bricker & Eckler LLP. Isaac is an asset to the firm’s Public Finance team, aiding attorneys, paralegals, and staff members with financial and strategic analysis. His experience includes financial analysis and modeling, statistical data analysis, and budget management.

Isaac is a specialist in modeling the tax and revenue impact of economic development projects that involve tax abatement, tax increment financing, and complex revenue structures. He produces a number of financial analysis tools that are essential to the issuance of new debt by public entities such as cities, port authorities, and school districts.

Isaac also works as an adjunct professor at the University of Evansville instructing the college course “Financial Decision Making,” where he covers topics including financial leadership, financial statements, ratio analysis, time value of money, risk analysis, and financial projections.

CDFA’s Development Finance Certified Professional (DFCP) Program is an intense training course learning experience and is the industry’s only comprehensive development finance professional certification program. The DFCP Program is designed to produce graduates with a comprehensive knowledge of development finance concepts, tools, and applicability as well as a deep understanding of the entire development finance spectrum. Graduates of the DFCP Program gain valuable knowledge and experience within the complex development finance industry and achieve a level of understanding unmatched by any other professional certification program.

The **Council of Development Finance Agencies** is a national association dedicated to the advancement of development finance concerns and interests. CDFA is comprised of the nation’s leading and most knowledgeable members of the development finance community representing public, private, and non-profit entities alike.
